

Delaware's **One-Stop** System

What is the One-Stop System?

The One-Stop system brings together workforce development, educational, and other human resource services in a seamless customer-focused service delivery network that enhances access to the programs' services and improves long-term employment outcomes for individuals receiving assistance. One-stop partners administer separately funded programs as a set of integrated streamlined services to customers.

One-Stop Partner Programs

Our Vision:

Work in alignment and coordination to provide Delaware's workers with the skills, credentials, and support necessary to secure and advance in employment with family-sustaining wages and to provide local employers with the skilled workers the employers need to succeed in a global economy.
